Dear Katie

I really enjoyed my long overdue visit to your school on Wednesday. It was good to meet you again and hear how things are going at the school and to learn of your plans for the future.

Thank you also for providing the art work to be displayed in my office. The pictures have now been put up and my office transformed by the colourful display.

Please pass on my thanks to the pupils at All Saints for providing such great pictures. They are very much appreciated.

Yours sincerely
