Pupil Premium Strategy and Funding Allocation Statement 2018-2019

Summary Information					
Academic year	2018 -2019	Total Pupil Premium budget	88,440	Date of most recent PP review	November 2018
Total number of pupils	209	Number of eligible pupils	67 pupils (32%)	Date for next internal review of this strategy	November 2019

Principles for the allocation of funding

- Pupil Premium funding will be used to provide additional educational support to improve progress and to raise the standard of achievement for this group of pupils.
- The funding will be used to narrow the gap between the achievement of these pupils and their peers, both in school and nationally.
- As far as its powers allow, the school will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others.
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.
- We ensure that teaching and learning opportunities meet the needs of all pupils.
- Limited funding and resources means that not all children will be in receipt of pupil premium interventions at the same time.

Barriers to future attainment for pupils eligible for Pupil Premium funding	
1	Pupils eligible for Pupil Premium funding generally enter school below or well below a typical level of development for their age.
2	Pupils enter school with poor language and communication skills.
3	Many pupils are not 'school ready' when they enter the Foundation Stage Unit.
4	School attendance for this group of pupils is often lower than other pupils within school.
5	A number of pupils entitled to Pupil Premium need a 'whole family' approach to overcome barriers to learning.
6	Many pupils eligible for funding have limited life experiences when compared with more affluent peers.
External barriers that may require action outside of school.	
7	The support of a number of outside agencies e.g. social workers, CAMHs EWO, Parenting support is regularly required to support the most vulnerable families.

Desired outcomes of the strategy - What we will do with the funding.	Success criteria (How we know that is working effectively)	Impact/ Lessons learned from 17/18(whether we will continue this approach)
<p>Providing small group work for some pupils entitled to PP funding with a focus on overcoming gaps in learning to help them make improved progress and to raise their standards of achievement</p>	<p>Pupils eligible for PP make rapid progress and the gap between this group and other pupils in the cohort diminishes.</p>	<p>The use of targeted support throughout school impacts on individual pupil progress. Cohort analysis shows that eligible pupils, who do not have other additional needs, are making good progress in comparison with their cohort peers. Evidence of this can be found in the assessment folder. 2018-2019</p> <p>We have identified specific cohorts that require particular support and staffing has been targeted to these classes.</p>
<p>Additional teaching and learning opportunities for pupils entitled to PP funding provided through trained TAs or external agencies to help them make improved progress and to raise their standards of achievement</p>	<p>Identified pupils will have opportunities to practise specific skills through targeted interventions and this will in turn improve the progress for this group of pupils.</p>	<p>Interventions and support throughout school for eligible pupils is supporting pupil progress. This is demonstrated through children's work and assessment data.</p>

		<p>2018/19</p> <p>We will continue with this support with a greater emphasis upon the frequency of monitoring interventions.</p> <p>We are also providing specific CPD to support these interventions.</p>
<p>Acquiring effective materials for pupils entitled to PP funding aimed at raising standards, particularly in reading and mathematics.</p>	<p>Resources will be purchased to support the delivery of specific interventions and 1-1 support for identified pupils.</p>	<p>Resources to support targeted subject areas e.g. phonics allow for quality provision to be delivered. This year, resources will be purchased in response to pupil provision map.</p>
<p>All our work through the pupil premium strategy will be aimed at accelerating progress moving pupils entitled to PP funding to at least age related expectations. Initially this will be in English and Mathematics</p>	<p>Pupils eligible for PP funding will achieve at least in line with their peers across school. At the end of KS1 and KS2 the gap between our PP pupils and other Non-PP pupils nationally, will narrow.</p>	<p>KS1 pupils 2018=60% of eligible pupils achieved the expected standard in Reading and Mathematics</p> <p>KS2 pupils 2018</p> <p>End of KS2 2018 - The average progress for our disadvantaged pupils was higher than the progress for national non-disadvantaged (KS2). Reading 1.06/0.31 Writing 0.64/0.24 and Maths 1.66/ 0.31. Attainment -reading 82% school/ 80% other national benchmark. writing 82% school/ 83% other national benchmark, maths 82% school/ 81% other national benchmark.</p>

Pupil Premium Strategy and Funding Allocation Statement 2018-2019

		<p>2018-2019</p> <p>We are focussing more adult support at the end of KS1.</p> <p>We are focussing support on disadvantaged pupils in Y3 who did not achieve the expected standard.</p>
<p>Pupil Premium resources may also be used to target able pupils entitled to PP funding to achieve the 'Greater Depth' standard at the End of KS2.</p>	<p>Pupils eligible for PP funding will achieve at least in line with other higher ability peers across school. At the end of KS2 the gap between our PP pupils and other Non-PP pupils nationally, will narrow.</p>	<p>At KS2, 20% of eligible pupils achieved the higher standard for Reading and Mathematics.</p> <p>The gap to national non-disadvantaged pupils was 9% and 7% respectively.</p>
<p>Ensuring that a comprehensive 'Early Help' offer is available to support families and overcome any barriers to learning.</p>	<p>Dedicated members of staff will support families to overcome barriers through our 'Early Help' offer and our multi-agency approach.</p>	<p>The skills and expertise of the Early Help Lead provide an exceptional level of support for families. This will continue during 2018-2019</p>
<p>Opportunities for pupils to develop wider curriculum opportunities to increase their knowledge and life experiences.</p>	<p>Funding used for subsidising school visits and providing curriculum enhancements.</p>	<p>Feedback from children and parents is very positive regarding the experiences that children gain and the support school gives to facilitate this.</p>
