

PHYSICAL EDUCATION

Our pupils have a rich diet of physical education. Pupils in the Foundation Stage have continuous access to the outdoor area which has been designed with physical challenge in mind.

P.E lessons focus upon athletics, games, gymnastics and dance. Year Four pupils also take part in regular swimming lessons and Year Five pupils take part in 'Bikeability'.

Our programme of after school clubs gives extra opportunity for pupils to develop their talents and we often take part in competitions with other school.

Below details the areas of PE studied in each class. The specific learning objectives for each term can be found on the half term plan shown on each class page.
