

RELIGIOUS EDUCATION

During our last inspection, the religious education at All Saints' was judged to be **Outstanding**.

We are a Church of England voluntary aided school and follow the Manchester Diocesan scheme of work. Our pupils are encouraged to learn about religious traditions and reflect on religious concepts and values. We have strong links with the local churches and visit them to learn more about the Christian place of worship.

Our school values are **love**, **truth** and **forgiveness**. These three values underpin every aspect of our lives together. We are an inclusive school that values and respects the cultural and religious diversity of our pupils. Pupils at our school have the opportunity to visit a church, and a mosque as part of the curriculum.

Throughout the year we hold special assemblies to celebrate festivals such as Harvest, Easter and Christmas. We also commemorate Armistice Day each year.

RE lessons are taught each week. The content of lessons varies and children are taught through lots of interesting practical activities such as role play and drama.
