Dear Parents,

I hope you are all safe and well.

I just wanted to let you know that staff at school are busy planning for a potential return to school for children in Reception, Year One and Year Six. As I'm sure that you can imagine, the practicalities of this are significant. School staff have been contacting parents in selected age groups, by telephone, to ask if they would like their children to return when a date is available. This call was about seeking parental preference only and does not mean that you should send your child to school on Monday 1st June.

We are planning that in the week beginning 1st June we will continue to care for the Keyworker pupils who have been attending school regularly throughout the pandemic and welcome back a number of extra children who meet this criteria. We then intend to invite other age groups in from 8th June.

Key worker parents only. It is really important that every parent/carer who wants to take up a place in the first week of June emails school. You will receive a text with the date we are expecting you and an explanation of the new procedures that will be in place. If you think that you should have a place and don't receive one by Thursday, contact the school office ASAP. Please DO NOT just turn up as we will not be able to accommodate you.

Parents of pupils in Reception, Year One and Year Six, who are not Key workers will be sent further information about their return date. This will happen after the increased number of Keyworker pupils have been phased in. Please do not send your child on Monday 1st June.

Please note that school will be closed to all children over the half term holiday as we plan and prepare for more children coming into school.

Take care and stay safe, we look forward to seeing you again.

Mrs Hardy
