Dear Parents,

You may have heard some of the Prime Minister’s briefing yesterday and it leaves you with some questions. Like you, we have only just heard the announcement so at this stage we are not in a position to answer many questions. We look forward to having more children back with us but need to ensure that, as far as possible, it is safe for the children and staff to be in school. We are told to expect more guidance and information from the government about what the announcement may mean for our community.

In the short term, nothing has changed. We remain open for children of key workers and those children who meet the vulnerable criteria. Staff continue working to support home learning via the school website, as well as helping pupils in school. Our cleaning team are also working hard to ensure good standards of hygiene throughout the building.

I will of course provide further information in to coming days and weeks when I am able to do so. Any information for parents will be placed, on the website, under the ‘Key Information’ tab in the section labelled Coronavirus.

Once again, I thank you for your continued support and understanding. I hope that you are all safe and well.

Kind regards,

Mrs Hardy

Headteacher.
