Dear Parents,

I just wanted to send a short update on life in school. The children who have returned to school have settled really well and seem to be enjoying the experience. It's lovely to have so many smiling faces in the building.

We are busy planning for September and will be able to share more details with you when we have received the Government guidance. We hope to have all the children back in school in September. Over the next couple of weeks, we will be putting transition information on to our website. Please take a look! Unfortunately, we are not in a position to welcome any other children, except children of critical workers, before September. If you are a critical worker and would like a school place this term, please contact school.

We have some happy news to share with you, congratulations to Mr Walters and Stacey on the birth of their baby boy, Liam. We wish them every happiness.

I hope that you are all safe and well. Please contact the school office by telephone or email if you need any assistance or have any queries.

Kind regards,
Mrs Hardy
