Please ensure all items of clothing are clearly labelled with your child's name.

Please note that the only jewellery that can be worn for school is a watch and/or stud earrings. The wearing of any other jewellery or accessories is not permitted.

## "Parent's Voice"

The Nursery Staff are very much looking forward to getting to know all of our new children and the parents/carers too. Unfortunately, due to Covid 19, we are unable to invite parents/carers inside Nursery like we would normally do. Nevertheless, we will do our utmost to get to know you and communicate with you as best we can. Weather permitting, we would like to use our outside area as much as possible to settle the children in their first few weeks. One parent/carer will be able to stay with their child in the outdoor area to help them settle.

At the end of each session, we will bring the children to you outside. We would really appreciate your patience with this, especially at the start of the year as we are getting to know everybody. If somebody different will be collecting your child, please inform the Nursery Staff beforehand or contact the school office.

If you need to speak to a member of staff, please wear a mask but if possible, please telephone the school office and we will arrange to call you.
