

## Physical Development

There will be lots of opportunities for the children to develop their physical skills whilst at Nursery. The children will have access to the fabulous outdoor learning area every day, with opportunities to run, jump, climb and cycle! Therefore, please ensure that your child always wears appropriate footwear, so that they can participate safely.

Please note for Health and Safety reasons children should not wear jewellery, especially earrings in school. Should your child have pierced ears, then studs can be worn. The wearing of earrings has caused several serious accidents in Rochdale, occurring both in PE sessions and playtimes.

## Outdoor Play

For outdoor play, please remember to send your child to school in a coat with a hood every day unless it is an exceptionally hot day. If very hot, please put sun cream on your child and send with a sunhat/cap.

## NURSERY

**STARTING  
NURSERY**

## Introduction

Hello and welcome to Nursery.

I am Mrs Taylor, Nursery's class teacher, and this is Mrs Partington, our teaching assistant.

We are really excited to welcome you into Nursery in September and are looking forward to getting to know you all.

To get into the Nursery building you come through the gate for the Foundation Stage Unit, which is the smaller building across from the main school building. Then you walk through another gate into our outdoor area and to Nursery's door.

The rest of this booklet contains useful tips and information you may need throughout this year.

## Times

- Nursery doors open: 8.40am
- Nursery doors close: 8.50am
- Nursery ends: 11.40am

If your child arrives late please go to the main school office to sign your child into school as the register will have closed.

Please ring in advance if somebody different is picking your child up from Nursery. For the safety of your child we may not let an unknown person collect your child until we have confirmed this with you.

## Uniform

We encourage all children to wear the school uniform, however it is not compulsory for Nursery children.

Wearing a uniform helps to give a sense of belonging and pride. Some items can be obtained from the school office or Moses uniform Shop.

- School jumper
- Dark grey / black trousers or skirt
- White shirt or polo t-shirt
- Appropriate footwear for outdoor play

## Sickness

If your child is unwell during the day a member of staff may ring to inform you or ask you to collect the child if we feel it is necessary. If your child is ill before the start of school it is always a good idea to keep them off and let us know at the office.

For Health and Safety reasons we should not administer medicines in school. Just occasionally this may be possible. So if your children need medication for a few days then please see a member of staff to sign a consent slip.

Children on daily, long term medication (usually asthmatics) are given them when required - again a permission slip needs to be signed.

Accidents do happen, but obviously we do all we can to protect all in our school. We usually have a word with parents at the end of the day if there has been an incident. All accidents are recorded in the school accident book.
