

The activities in the first box need to be completed in your child's homework book and handed in by the day stated. There are some extra creative activities in the second box if you would like to complete them. In addition to this topic work, children will also receive weekly grammar, maths, spelling and reading homework.

Amazing Adventures around the World!

To be handed in by Friday 14th October

- Research the names of the 7 continents.
- Paint/draw a picture of a famous monument from around the world (for example: Taj Mahal in India, Statue of Liberty USA, Eiffel Tower Paris etc)
- Imagine you are on holiday in one of the continents and write a postcard to someone back at home telling them about your trip.
- Choose one of the continents. Research information and fun facts about that continent and present your findings in any way you like: A fact-file? A travel guide? A leaflet? A PowerPoint?

Extra Activities to complete if you wish to

- Create your own model globe with the continents and the oceans on!
- Make a traditional meal from any country in the seven continents - you could take photos and stick them in.
