

# When my grandparents were little - Knowledge Organiser

Key Facts	
<p><b>Toys now and then</b></p>	<p>Toys have existed for thousands of years. They were made out of the materials that were available at the time. Even stones and string have been made into toys. In the past they were made from materials such as wood and metal. Now they can be made from plastic and can be electronic.</p>
<p><b>What was school like?</b></p>	<p>Schools didn't have things like computers &amp; smartboards to use in the classrooms. Books were used to find out about and to learn new things.</p>
<p><b>What was food like?</b></p>	<p>Fast food was not available as it is today. "Chip shops" were a treat often reserved for Friday night tea or Saturday lunchtimes!</p>
<p><b>Fashion</b></p>	<p>Clothing styles have changed over the years.</p>
